

WELCOME TO OUR HOME

TLC Infection Prevention and Control protocols are changing.

Please book your resident visit online before you arrive.

Residents are encouraged to leave the home for social outings and gatherings.

- **Daytime outings** - residents will be Rapid Antigen Tested before leaving.
- **Overnight outings** - residents will be Rapid Antigen Tested before leaving and over 4 consecutive days on return to the home.
- All residents leaving the home will also complete the register located at reception.

As a visitor to our home, we need you to:

- Complete Rapid Antigen Test and temperature check upon arrival.
- Perform hand hygiene.
- Complete the entry survey on the iPad at reception.
- Speak to our team if you're visiting someone with COVID-19 or Influenza symptoms.
- No smoking anywhere on our premises.
- Always provide accurate information.

Evidence of 2023 Influenza vaccination not required from 1 September 2023.
Visitors are no longer required to wear face masks .

Enjoy your visit.
